DESCRIPTION	MODEL FLAME LENGTH	DIMENSIONS	MODEL EQUIPMENT	PRODUKT-NUMMER	PRODUCT-NUMBER	POSSIBLE ACCESSORIES	
<p>HOLLY-WOOD - Beautiful, romantic movie-3D-fire with active glow, flying sparks and crackling effect. The latest generation of 3D-Effect fire by THE FLAME - incredibly realistic.</p> <p>Double video screens, actively lit decorative wood logs and embers plus an unbelievably "Ghost-Effect" enables this dream of fireplace.</p> <p>Through the double flame projection (2 screens) flames are projected onto the ceramic logs.</p> <p>The type of fire (wood, NG, LPG), height, intensity, the color of the flames and the volume are adjustable. The actively illuminated bed of embers reinforces the fire effect to perfection. Ideally suited for all living areas and especially public areas in the hotel industry, Gastronomy, spa, yacht, shop and much more.</p> <p>Lieferumfang: 3D effect fire module, decorative wood, coal and ash deco, remote control</p> <p>Zubehör: Heating module (air) 2 kW, Clear (glass cleaning/sealing), Lava stones, frame extension</p>	<p>HOLLY-WOOD 100 with movie-3D-flame approx. 80 cm</p>	<p>Dimensions: approx. W 103,6 cm x H 74,7 - 76,4 cm x D 51,4 cm</p>	<p>HOLLY-WOOD 100 FRONT</p> <p>Surcharge flange (frame)</p>	<p>HW100F</p> <p>HW100F-AF</p>		<p>Heating (warm air) 2 kW, Clear (glass cleaning/sealing), Lava stones, frame extension</p>
