SOFT COLLECTION 2026

FIRE PLACES, GAS LANTERNS & COLUMNS

1 | THE FLAME Wood square

2 | THE FLAME Wood round

LANTERN WOOD

Looking for a gas lantern sheathed in natural materials? THE FLAME Wood might be a great option for you. The casing of this lantern is made of wood and comes with clear glass, so it will boost your garden or interior with a natural look. Do you prefer the THE FLAME Wood round or square?

To preserve its beauty, treat teak wood with high-quality teak oil once or twice per year.

2 | THE FLAME Wood round

1 | THE FLAME Wood square | dimensions: approx. W 20 x D 20 x H 30 cm
2 | THE FLAME Wood round | dimensions: approx. ø18 x H 30 cm

SHADE

The THE FLAME Shade is an elegant gas lantern available in black. Its round, tinted glass enclosure partially covers the sturdy base, giving it a sleek, modern appearance that beautifully complements any indoor or outdoor space.

Designed for versatility, the THE FLAME Shade creates an inviting atmosphere, perfect for cozy evenings on the patio or in your living room. Crafted from high-quality materials, this gas lantern combines durability with style, making it a true collector's item in the Shade line.

Whether for special occasions or everyday use, the THE FLAME Shade is crafted to bring warmth and sophistication to any setting.

SLIM

The THE FLAME Slim is a modern gas lantern that combines style with practicality. Its elegant, slim silhouette and transparent glass design make it a true eye-catcher, creating a warm and inviting glow in any space – from the living room to the garden, or even on holiday.

With a turn of the knob and a long lighter, the THE FLAME Slim delivers hours of cozy light that enhances evenings, inspires conversation, and leaves lasting memories. Whether placed on a terrace, balcony, or dining table, the THE FLAME Slim adds a touch of elegance and warmth to every setting.

5 | THE FLAME Nude

NUDE

The THE FLAME Nude stands for subtle elegance and contemporary design. Its soft sand-beige finish and clean shape allow it to integrate effortlessly into any indoor or outdoor setting while creating a calm, inviting atmosphere.

The gentle flame encourages relaxation and connection, making it perfect for living spaces, terraces, or stylish hospitality environments. Crafted from durable metal and powered by propane or butane gas, the Nude combines dependable performance with timeless appeal — a refined addition to any space.
